H   IN Participation Code

The IN participation code indicates a request for benefits.

Resources (for CA, NA, and the MD MA category) and income (for CA, MA, NA, ST) are counted.

Deductions are allowed.

The participant is included in the budgetary unit size and nonfinancial tests for benefit determination.

<div style="border:2px solid orange;">

WARNING

AZTECS does not allow a participant to be keyed IN on SEPA for the same program in two separate cases. AZTECS displays the following edit message+ on SEPA:

ERROR CLIENT PARTICIPATES AS "IN" FOR THE SAME MONTH IN (AF\FS\MA) CASE XXXXXXX.

Determine the correct budgetary unit prior to the determination
