

09 Refugee Resettlement Program (RRP)

The Refugee Resettlement Program (RRP) provides temporary cash and medical assistance to newly arrived refugees. The goals of the RRP are as follows:

- The effective resettlement of refugees.
- The promotion of their self-sufficiency through the use of the following:

Supportive Services

[Refugee Cash Assistance](#) (RCA)

Refugee Medical Assistance Program (RMAP)

The program is available to refugees, asylees, and parolees of all national origins. For the purpose of this program, the following refugee applicants are all referred to as REFUGEES:

- Refugees
- Asylees
- Parolees
- Amerasians
- Cubans
- Haitians
- Trafficking Victims

(See [Arizona Government Sites](#) for the web address for the Refugee Resettlement Program)
