

**.01 Domestic Violence Emergency Shelter - Shelter Qualification Requirements**

**REVISION 06**  
**(10/01/08 – 12/31/08)**

Domestic violence emergency shelters that have FNS authorization to redeem NA benefits at wholesalers are considered to have met the definition of a domestic violence emergency shelter. DES is not required to make any further determination.

Other shelters must meet the definition of a domestic violence emergency shelter, and in addition, serve meals or provide food to its residents.
