

B Not Countable LIBL/STBL Months

[REVISION 44](#)
(10/01/16 - 11/30/16)

For LIBL, the following months are not countable when determining receipt of 60 months of CA:

- Any month before October 01, 2002 in which the participant received any of the following:

CA in Arizona or in any other state.

[Tribal TANF](#) in any state other than Arizona.

Tribal TANF in Arizona when that month was not countable toward the Tribal CA LIBL.

NOTE A participant may be residing on an Indian Reservation when the unemployment rate is 50% and above. When this occurs, the month is not countable toward the Tribal CA LIBL. (Refer to the Reservation Code Tables in [LISTCODE](#) for Tribal unemployment rates)

EXCEPTION

All months are countable for the [Hopi Tribal TANF program](#) regardless of the unemployment percentage rate.

- Any month in which the CA amount is under \$10 before recoupment, including prorated months with a benefit amount under \$10.
- Any month in which the budgetary unit was totally ineligible for CA due to an [overpayment](#). Contact [Systems Helpdesk](#) for CODC correction.
- Any months for which the budgetary unit receives a [Grant Diversion](#) payment. This includes all months the payment is intended to cover.
- Any month beginning October 2002 in which the participant received not countable CA LIBL months from any [other state](#) as determined by the verifying out-of-state agency.

For STBL, the following months are not countable when determining receipt of 12 months of CA:
