

.10 Sponsored Noncitizen - Battered

Resources and income of a sponsor and the sponsor's spouse are NOT COUNTABLE when determining eligibility for either of the following:

- The month of application
- The 12 month period beginning with the month of application

All of the following must apply to the battered sponsored noncitizen budgetary unit:

- The sponsored noncitizen does not have [40 quarters of coverage](#).
- The sponsored noncitizen has a [military connection](#).
- A budgetary unit participant meets the [battered eligibility criteria](#).
- The battered participant cannot reside in the same residence as the batterer.

Assign an approval period that DOES NOT continued beyond the last month of the 12 month period during which the income and resources of the sponsor are NOT COUNTED. When a [break in benefits\(g\)](#) occurs during the 12 month period in which the income and resources of the sponsor are NOT COUNTABLE, or the 12 month period ends, complete both of the following:

- Determine whether the budgetary unit continues to meet the battered sponsored budgetary unit criteria.
- Determine a NEW 12 month period beginning with the month the budgetary unit reapplies for benefits.

Document CADO and the [case file\(g\)](#) with the following information:

- The beginning and end dates of the 12 month period in which the income and resources of the sponsor are NOT COUNTABLE.
- Name, SSN, and Alien Registration Number of the battered participant.
