

### **.01 Converting Income - Received Weekly**

Income received, or anticipated to be received, once a week is considered weekly income. This includes income scheduled to be paid on a weekly pay cycle, regardless of the date received.

Key WK in the FREQ field on **EAIC** or **UNIC** when the income is received weekly.

**AZTECS** [averages](#) and then converts the income keyed by multiplying the average weekly amount by the conversion factor of 4.3.

(See Example [Weekly Income](#))
