

B Reporting Time Frames - Simplified Reporting

REVISION 04

(04/01/08 - 06/30/08)

At the interview, the participant must report any changes that have occurred from the application date through the interview date.

The participant must report changes in income no later than the tenth calendar day of the month, following the month their gross income exceeds either of the following:

- [130% of the current Federal Poverty Level \(FPL\) for NA](#)
- [36% of the 1992 FPL for CA](#)

(See Example [Reporting Income Change – Simplified Reporting](#))

EXCEPTION

For Tribal TANF, changes occurring after the approval must be reported within ten calendar days of the date the change becomes known to the budgetary unit.

The date the change is considered reported is the date the change is received in ANY local office.

Other changes occurring after the interview date must be reported no later than the next renewal. (See [Changes that Must Be Reported](#))
