

## **J      FUNCTION 9. ADD CLIENT TO ST PROGRAM**

Use this function to add a participant to a GA, RP, or TC State Program.

The maximum case size for each of the State Programs is as follows:

- GA - The case size cannot exceed two. The second participant must be the spouse.
- RP - The case size cannot exceed 50. There is no relationship requirement.
- TC - The case size cannot exceed two. The second participant must be the spouse.
