

.05 Hearing Decision Implementation – Affirmed Decision

REVISION 49

(01/01/21 - 12/31/21)

When a hearing decision affirms FAA's original action, the following apply:

- Document the [case file\(g\)](#) with the results of the decision.
- No case action is necessary when benefits were not continued.
- Take the following actions when benefits were continued:
Reduce or stop the benefits based on the original determination.
Send an [NOAA](#) to the PI, informing them that benefits are being stopped or reduced based on the hearing decision.
Complete a Potential Overpayment (OP) Referral (FAA-0526A) form for any months that resulted in incorrect benefits during the period that benefits were continued.
- When the hearing decision applies to an EBT account adjustment, send a copy of the hearing decision via email to [FAA EBT Support](#) within two workdays.

EXCEPTION

No overpayment is established when the issue involves either a PRA or NA work requirement noncompliance. Upon receipt of the hearing decision, impose the appropriate sanction or disqualification, allowing for NOAA. (See the appropriate method - [Graduated Sanctions](#) or [NA Work Requirements Disqualification](#) for additional policy and procedures)
