

## E Information Exchange - NNSDR

**AZTECS** and the Navajo Nation Department for Self Reliance (NNSDR) do not interface.

**FAA** and NNSDR staff use the Tribal TANF Turn Around Document (TAD) (FAA-1125A) to exchange information.

### WARNING

Exchange of information must be faxed or hand carried by close of business the following [workday\(g\)](#). The information is sent to the attention of the FAA Local Office Manager or the NNSDR Program Manager.

The FAA-1125A is used for the following:

- The [NNSDR office](#) notifies FAA at the time of NNSDR approval.
- To send ALL change information to EITHER an FAA local office or NNSDR office.

When FAA receives change information from an NNSDR office, the FAA-1125A and change information is date stamped and processed from the date it is received in the FAA local office. (See [Changes](#))

- To send FAA applications received or completed at an NNSDR office for FAA programs.

When the application is received by any of the following means, date stamp and process the FAA programs the date received in the FAA local office:

- faxed
- Hand carried
