

**.03 Immunization – Pascua Yaqui Tribal TANF Program Requirement**

**REVISION 01**  
**(07/01/07 - 09/30/07)**

The parent or caretaker relative of a dependent child must ensure that the child is immunized in accordance with the schedule of immunizations required for school or child care entry by the Arizona School/Child Care Immunization Law.

This requirement is waived when a parent or caretaker relative completes all of the following:

- Supplies a signed statement that they have received the Department of Health Services information about immunizations.
- The statement must include that they understand the risks and benefits of immunization.
- The statement must include that due to personal beliefs, they do not consent to the immunization of the child.

Progressive sanctions will be imposed when this requirement is not met.
