

D Special Keying Requirements - WMAT

[REVISION 08](#)
(04/01/09 – 06/30/09)

Follow normal keying procedures necessary to make a CA eligibility decision. Review and key the following screens to ensure that an eligibility decision is made correctly for the White Mountain Apache Tribe (WMAT) TANF Program.

- **ADDR**
Key FA in the RESERVATION field. This is the Reservation Code for the Fort Apache Indian Reservation.
- **RARE**
Key Y in the AI RACE field and WM in the TRIBE field next to any participant who is enrolled in the White Mountain Apache Tribe.
- **WERE**
Key W (White Mountain exempt) in the AF WERE EXPT RSN field next to each participant in the budgetary unit. This must be keyed so AZTECS can identify the budgetary unit as WMAT-TANF eligible and exempts the participants from specific state CA policies.
- **WORW**
Key RW in the PAR/EXEM field for all WMAT Jobs Program mandatory participants.
