

## K A1 and A2 Payment Standard - WMAT

**REVISION 13**  
(07/01/10 – 09/30/10)

CA payment levels are determined based on whether the participant has a shelter cost obligation, as follows:

- A1 standard when the budgetary unit has a verified obligation to pay ALLOWABLE shelter costs.

### **WARNING**

To receive the A1 standard, the participant's name must be on the lease, mortgage or property documents.

- A2 standard when any one of the following situations apply:  
When the participant is not obligated to pay shelter costs  
For child only cases  
When single parents live with their parents, relatives or other adults and their name is not on the shelter documents  
When A1 verification has not been provided
