

## 01 **Arizona Fingerprint Imaging Program (AFIP) - Overview**

**REVISION 18**  
(10/01/11 - 12/31/11)

The Arizona Fingerprint Imaging Program (AFIP) is an automated fingerprint comparison system used to ensure that participants do not receive duplicate Cash Assistance (CA) or Nutrition Assistance (NA) benefits.

NOTE For assistance, contact the [AFIP Help Desk](#).

### **WARNING**

Do not release Fingerprint Image Records or AFIP Enrollment Receipts to anyone.

Fingerprint imaging is used only for the purposes of preventing participants from receiving duplicate benefits.

Policy and procedures regarding AFIP are outlined as follows:
