

**.02 Special Participant EBT Situations - Group Living Arrangements
(GLA) - Non-FNS Certified GLA**

REVISION 01
(07/01/07 - 09/30/07)

The participant may reside in a facility that does not meet the definition of a certified FNS Group Living arrangement (GLA). (See [GLA Eligibility Requirements](#)). When this occurs, establish the [alternate card holder](#) from the GLA as the alternate card holder for all Primary Payees residing in the GLA.

When the Primary Payee leaves a non-FNS certified GLA, instruct the Primary Payee to call the FAA local office to have the GLA removed as the alternate card holder.
