### **Clarification: Leave Time Paid After Termination for NA**

For NA, when unused leave pay is included in the participant's final paycheck, it is considered countable earned income. When the unused leave pay is received in installments or recurring payments, it is considered unearned income. When unused leave pay is paid as a one-time nonrecurring lump sum payment after the final paycheck, it is considered a resource in the month it is received.

For more information on keying instructions, see [FAA4.H01B.40](#) titled Leave and Severance Pay.
