

## .10 Programs Administered By FAA - MA - S.O.B.R.A.

Participants under age one through the month they turn age 19 and pregnant participants of any age in any month of pregnancy may qualify for S.O.B.R.A. Income levels must be equal to or less than the following standards:

- 140% of the Federal Poverty Level for children under age one.
- 133% of the Federal Poverty Level for children age one through age five and pregnant women.
- 100% of the Federal Poverty Level for children ages six through the month they turn age 19.

### WARNING

When a S.O.B.R.A. child turns age 18, the parents are not considered [financially responsible](#) for the child from the month following the month the child turns age 18.
