

## **09 Warrant Replacement Deletion – Overview**

To add or delete a CA issuance, complete the following:

- To create a replacement, key X in the ADD REPLACEMENT field, and press ENTER. RERF displays for benefit replacement.
- To delete a replacement, key X in the DELETE REPLACEMENT field the same day the replacement is requested, and press ENTER. RERF displays.

Press ENTER again to process the deletion.

Press the F9 key to cancel the request.
