

F Noncooperation with the CA PRA

When the PI (or either parent for a TPEP case) fails or refuses to sign the PRA, and good cause has not been established, take the following actions:

- At the initial interview, deny the CA application.
- At the renewal interview, when no signed PRA exists in the [case file\(g\)](#), stop CA allowing for NOAA.
- At conversion of CA to TPEP or TPEP to CA, stop CA allowing for NOAA.

Key SP in the DENIAL CLOSURE REASON field of AFED.

When [PRA required participants](#) fail to comply with PRA requirements, and good cause has not been established, impose [progressive sanctions](#) in accordance with policy and procedures on PRAP and DISA. (See [PRA Noncompliance Good Cause](#))
