

## C Temporary Out of State

When a participant is temporarily residing out of state, policy and procedures regarding benefit issuance are specific to the program as follows:

- CA benefits may be issued when the participant is living at a [temporary address out of state](#).
- NA - When one or more NA participants in a budgetary unit are temporarily residing out of state, remove the ineligible participants and redetermine allowing for [NOAA](#). (See [Removing Participants](#))

When ALL participants in the NA budgetary unit are [temporarily out of state](#), close the NA case.
