

C Temporary Out of State Address

REVISION 32
(10/01/14 - 11/30/14)

When a participant is temporarily residing out of state, policy and procedures regarding benefit issuance are specific to the program as follows:

- CA benefits may be issued when the participant is living at a [temporary address out of state](#).
- NA - When one or more NA participants in a budgetary unit are temporarily residing out of state, for at least 30 calendar days, remove the ineligible participants and redetermine benefits allowing for [NOAA](#). (See [Removing Participants](#))

EXCEPTION

When a [spouse\(g\)](#) in the budgetary unit is temporarily residing out of state and meets one of the following conditions, remove the spouse and redetermine benefits allowing for NOAA:

- The spouse has been temporarily out of state at least 30 calendar days.
- The spouse has established a permanent residence away from the family (e.g. an apartment or house, not a motel). A separate residence of a spouse requires verification of the spouse's residence.

When ALL participants in the NA budgetary unit are [temporarily out of state](#) for at least 30 calendar days, close the NA case allowing for NOAA.
