

B Verifying Pregnancy

[REVISION 28](#)
(02/01/14 - 03/31/14)

The participant is not required to verify pregnancy unless the pregnancy is questionable.

For Expected Delivery Date (EDD) verification, see [Verifying EDD](#).

Tribal CA EXCEPTION

The participant is required to verify a reported pregnancy for Tribal CA-PG.

Participant statement is not acceptable verification of pregnancy for Tribal CA-PG.

Verify the participant is pregnant by using a signed written statement or a collateral contact, from any of the following:

- A licensed doctor
- A health care professional
- Licensed physician's assistant
- Registered nurse
- Licensed practical nurse

When verification of pregnancy is not available, and the baby has been born, verify pregnancy for the birth month using any of the following items:

- Hospital birth certificate
- Crib card
- Statement from vital statistics
- Application for the baby
- Provider referred application
- [Deemed Newborn Reports](#)
