

.01 CA PRA Notification

When a participant does not comply with a PRA requirement, a sanction is imposed.

Noncompliance notification occurs in one of the following ways:

- FAA receives a noncompliance E-Form from DCSE. FAA issues the [NOAA](#) to the noncompliant participant and imposes the sanction. (See [Sanction Notices](#))
- FAA receives an ACTS alert generated by Jobs to impose a Jobs sanction. Jobs issues the NOAA to the noncompliant participant.
- The [CA DEAUTH - PROG SANC ACTS alert](#) is generated monthly by AZTECS when rollover occurs and a budgetary unit has an ongoing sanction. (See [Imposing Ongoing CA Sanction](#))

Policy and procedures in regard to CA PRA noncompliance notification are outlined as follows:

- [DCSE Noncompliance Notification.](#)
- [Jobs Noncompliance Notification.](#)
- [DCSE Compliance Status Notification E-Form.](#)
- Receipt of the CA DEAUTH - PROG SANC ACTS alert to impose the next level of sanction when the budgetary unit has an ongoing sanction.
