

.04 Immunization Reconciliation

REVISION 10
(10/01/09 – 12/31/09)

One of the following is required to end an immunization sanction:

- The PI's written statement of compliance with immunization requirements.
- The PI's written statement of [Immunization good cause](#) to exempt the participant from the Immunization requirement.

When verification of compliance is received, key the SANC END date on DISA. Place any written verification in the [case file\(g\)](#). Document the DOC field on DISA and CADO or the CADO Extension Form (CEF) with action taken to end the sanction.

When verification of compliance is not received within ten calendar days of the request, and good cause has not been established, elevate to the [Policy Support Team](#).
