

## J Sanctioned Participant's Intent to Comply

Intent to comply refers to the participant who demonstrates an intent to comply with certain [PRA](#) requirements.

### **EXCEPTION**

Intent to comply policy does NOT apply to DCSE.

Jobs may send NOAA informing the participant of a sanction. The participant may contact Jobs to recommit within ten days AFTER the sanction notice is mailed. An intent to comply with Jobs results in an ACTS alert to FAA to end the sanction.

Consider a new application as an intent to comply when the budgetary unit includes a noncompliant participant for Jobs, School Attendance, or Immunization.
