

03 **Pregnancy - Overview**

Policy and procedures regarding Pregnancy are outlined as follows:

- [Eligibility for Pregnant Women](#)
- [Verifying Pregnancy](#)
- [Verifying Expected Delivery Date \(EDD\)](#)
- [Postpartum Period](#)

NA EXCEPTION

Reporting that a participant is pregnant is not required. When a participant is known to be pregnant, complete the following:

- Key **MAST** for the pregnant NA participant
- [Register an Unborn](#) to the NA case

WARNING

Determine MA eligibility in another category for a participant who was identified as pregnant when either of the following applies:

- The participant is no longer pregnant
- The participant is not able provide verification of pregnancy (See [No Proof of Pregnancy](#))

NOTE Key Y in the EXPEDITED FS/PG field on **APMA** when there is a participant identified as pregnant on any application for MA.
