

.02 Homeless Shelter Resident Eligibility

REVISION 49
(01/01/21 - 12/31/21)

A homeless budgetary unit may live in a temporary shelter for the homeless, a half-way house, or similar facility.

A homeless budgetary unit residing in a public or private nonprofit shelter where up to three meals per day are provided, can apply, and be found eligible for NA.

The Policy Support Team (PST) is responsible for verifying the eligibility of these facilities.

HEAplus lists the shelters which have been evaluated by the PST. When the shelter is not listed in HEAplus, see Maintaining Institutions in HEAplus.
