

.02 One-e-App Main MENU Screen

The One-e-App main MENU screen displays a list of options, and can be accessed from the [Menu link](#).

The MENU screen is used to access the following screens:

- [SEARCH FOR AN APPLICATION screen](#).
- [ASSIGNED APPLICATIONS screen](#).
- [UNASSIGNED APPLICATIONS screen](#).
- [LOCAL OFFICE WORKLOAD SUMMARY screen](#).

NOTE Users with [Administrative Profile](#) access the [WORKLOAD SUMMARY screen](#).

- UPDATE PROFILE INFORMATION screen. When MODIFY PROFILE is selected, the UPDATE PROFILE INFORMATION screen displays the account information as keyed on the [USER PROFILE screen](#). Certain information, depending on the user's profile, may be changed.
- CHANGE PASSWORD screen. When selected, the CHANGE PASSWORD screen displays, and allows the user to change their password.

The MENU also displays information issued to One-e-App users. Review the information by clicking on the envelope icon when it displays.
