

.01 Noncitizen Documentation

Documents may be submitted by applicants to establish their noncitizen status. Compare the documents with those listed in the [Noncitizen Alien Identification](#) section.

Applicants with documents described as eligible in the Noncitizen Alien identification section and who meet the [qualified noncitizen](#) criteria, are eligible for benefits. Submit the document information for [VIS](#) verification prior to initial approval.

Applicants with documents described as ineligible in the Noncitizen alien identification section are ineligible for CA, NA, and full services MA. Do not submit their documentation for verification through VIS.

Applicants may have lost or otherwise cannot locate their immigration documents from USCIS. It is their responsibility to contact USCIS for replacement documents.
