REVISION 18
(10/01/11 - 12/31/11)

A sponsored Lawful Permanent Resident (LPR) is considered indigent when the total income for the budgetary unit is under one of the following:

- For CA, 36% of the 1992 [Federal Poverty Level](#) (FPL)
- For NA, 185% of the current FPL (See [Categorical Eligibility](#))
- For MA, 100% of the current FPL

NOTE When the Sponsored LPR is being provided free room and board, the sponsored LPR is not indigent and the sponsor's income must be deemed.

This total income includes, but is not limited to, the following:

- Earned income
- Unearned income
- In-kind income
- Cash contributions from the sponsor
- Cash value of food, clothing, shelter, and utilities provided by the sponsor
- Vendor payments by the sponsor

Key the total value of all types of income provided by the sponsor(s) next to the sponsored LPR as AS, in the TY field on UNIN.

Document the actions taken in CADO or the CADO Extension Form (CEF).

The sponsored LPR is indigent when any of the following occur:

- For CA, when AFPD displays any CA benefit amount
- For NA, when FSAD displays any NA benefit amount
- For MA, when MADA displays PASS

NOTE A sponsored LPR is considered indigent when the total income for the budgetary unit is under the 3E MA Income Standard. When this occurs, the sponsored LPR may be approved for MA, without deeming any of the sponsor's income or resources.

MA EXCEPTION

Once determined indigent, print the UNIN, AFPD, FSAD, and MADA screens and place them in the [case file\(g\)](#).

To determine the correct benefit amount, remove all non cash contributions from the amount keyed as AS next to the sponsored LPR.
