

D Adult Only Cases

REVISION 08
(04/01/09 – 06/30/09)

In some cases, the only participant who needs benefits is the [specified relative](#). An adult only case may exist when one of the following applies to the [dependent child](#):

- Receives Supplemental Security Income
- Receives Foster Care benefits and the specified relative is a licensed foster care caregiver
- Received CA or MA benefits in another case in the month the parent requests benefits
- Is not eligible for CA due to the Family Benefit Cap

In such cases, the benefit is for the specified relative only.

NA EXCEPTION

Adult Only Cases policy does not apply.

A budgetary unit's eligibility is based on the needs of all of the eligible participants in the budgetary unit. AZTECS counts the income and resources of the potentially eligible participants.

NOTE Resources apply only to CA and the MD MA category.

This policy includes the following:

- [Adult Only Application](#)
- [Adult Only Requirements](#)
