

B Qualified Noncitizens

This subject includes a list of noncitizens that are potentially eligible for NA and CA.

Policy

A noncitizen is a person who is not a United States (U.S.) citizen by birth or by naturalization. A qualified noncitizen is a person lawfully residing in the U.S. with a classification status that allows potential eligibility for NA and CA. Qualified noncitizens are potentially eligible for NA and CA. When a participant in the household is not a qualified noncitizen, see [nonqualified noncitizens](#) for important information.

Participants are required to declare the immigration status of any noncitizen applying for NA or CA benefits. Noncitizens who meet the qualified noncitizen criteria are potentially eligible to receive NA and CA. A noncitizen is determined qualified by the Status and Class of Admission (COA) Code given by the United States Citizenship and Immigration Services (USCIS).

Qualified noncitizens have either temporary qualified status or permanent qualified status.

To determine whether a noncitizen with temporary qualified status is potentially eligible for NA and CA, see **any** of the following:

OAW, formerly known as OAR (Operation Allies Refuge) is a United States Department of Homeland Security (DHS)-led effort across the federal government that began in 07/2021. The goal of this program is to support vulnerable Afghans as they safely resettle in the United States.

The following are the four arrival categories:

(See [Nonqualified Noncitizens](#) for additional documentation requirements when the form is read.)

Noncitizen mandatory participants who are not applying for themselves or do not provide noncitizen verification are considered disqualified participants. These disqualified participants' income and other factors may be fully or partially included in the eligibility determination of the budgetary unit. (See [Disqualified NA Participants Effect on the NA Benefit Amount](#), [CA Special Consideration of Income](#), and [Determining Budgetary Units](#) for details.)

Refugee participants must have NA and CA eligibility determined at an FAA Refugee office during the participant's first 12 months in the United States. The 12-month period applies to participants who arrived on or after 10/01/2021. See [Refugee Procedures](#) when **any** of the following noncitizens have been in the U.S. for 12 months or less:

- Amerasians
- Asylees
- Cubans or Haitian entrants
- Refugees
- Special Immigrant Visa (SIV) holders
- Ukrainian refugees
- Victims of severe trafficking

For each noncitizen who has applied for NA or CA benefits, determine whether the noncitizen is a qualified noncitizen by completing **all** of the following:

- Review Systematic Alien Verification for Entitlements (SAVE) results based on the information provided on the application. When SAVE confirms eligibility, no additional documents are required. (See [SAVE](#) for instructions.)

NOTE See [Indefinite Detainee Procedures](#) or [Battered Noncitizen Procedures](#) for the processes to replace the SAVE query for battered noncitizens.

For Afghan Special Immigrant lawful permanent resident (SI LPR) and SI Conditional Permanent Resident (SI CPRS), regardless of the documentation presented, the Verified Legal Presence (VLP) in HEAplus can provide initial verification of these arrivals except for those whose case involves something unusual that may require additional verification.

For Afghan SI and Non-SI Parolees, the Verified Legal Presence (VLP) in HEAplus can provide an initial verification response. The SAVE fact sheet includes detailed information and examples regarding Afghan arrival categories, documentation, and SAVE responses.

- When SAVE does not confirm eligibility or needs additional documents, ask the noncitizen for USCIS documentation and any documents needed as identified in the policy above.

NOTE For Cuban or Haitian entrants, contact the Executive Office for Immigration Review (EOIR) automated immigration court information system at (800)

898-7180 when additional information regarding the participant's continued eligible status is needed.

- When the participant states they do not have documentation, see [Nonqualified Noncitizens](#).
- When the noncitizen cannot or will not answer questions about the noncitizen status of any budgetary unit member, disqualify only the participant whose status is not verified. To disqualify participants who have not verified their citizenship or noncitizen status, see [Disqualifying Nonqualified Noncitizens](#).
- When the document is provided, compare the document to the documents listed in qualified noncitizen documents. When the document is one of the qualified noncitizen documents, the noncitizen has a qualified status.

NOTE Each USCIS document contains additional information that specifies noncitizen status.

Document the case file with all the facts related to the claim.

Battered Noncitizen Procedures

When a qualified noncitizen claims to be a battered noncitizen, the supervisor must complete **all** of the following:

- Verify that the case file is documented with all the facts of the battered noncitizen's claim and that all documents were provided.
- Priority [upload\(g\)](#) into OnBase the petition, the battered noncitizen written statement, any supporting documentation, and supporting continuous residence documentation, when applicable.
- Elevate the case situation to the Policy Support Team (PST) following the Request for Policy Clarification or Field Inquiry elevation process.
- When uploading to OnBase is not available, email the PST copies of the petition, all the battered noncitizen documentation, and supporting continuous residence documentation, when applicable. Staff must ensure that the Case Name and Number are on every document.
- When follow-up emails are sent to the PST, format the subject line as follows:

Provide the PST assignment number (YY-XXXX)

After the assignment number, indicate Documents to Support Battered Noncitizen Request

- Document the case file that the information was emailed to the PST.

The PST notifies the requestor via email whether the battered noncitizen meets qualified noncitizen eligibility.

The PST responds with the notification of the final designation of the noncitizen. A battered noncitizen who meets qualified noncitizen eligibility may adjust their USCIS status. When this adjustment and the FAA notification occurs, FAA uses the new status eligibility requirements.

Indefinite Detainee Procedures

An Indefinite Detainee may be eligible for NA and CA due to their noncitizen status before detention. However, the SAVE process no longer includes documentation of their original noncitizen status. The following process has been established to replace the SAVE query for Indefinite Detainees:

- Obtain as much of the following information as possible from the participant:
 - Name and date of birth
 - Alien registration number
 - Social Security number
 - Home country
 - I-94 number
 - Parent's names
 - Driver's license number
 - Copies of any immigration documents (I-220B, I-688B, etc.)
- Call the Office of Refugee Resettlement (ORR) to request an Indefinite Detainee eligibility determination and inform ORR that the collected information will be faxed.
- Fax the information collected from the participant to ORR. The fax must include the name, telephone number, and fax number of the worker requesting the determination.
- When faxing documents containing confidential information use the Fax Cover Sheet (DES-1078A) form. This form can be found in the Document Center.
- Document the [case file\(g\)](#) with all actions and the dates the actions were taken.
- Do not take action on the application pending the detainee's status confirmation from ORR. ORR submits the faxed information to USCIS and notifies the worker of the participant's status and potential eligibility by fax.

Refugee Procedures

Any of the following are considered refugees for FAA case processing:

- Amerasians
- Asylees
- Cubans or Haitian entrants
- Refugees
- Special Immigrant Visa (SIV) holders
- Ukrainian refugees
- Victims of severe trafficking

Designated FAA staff in an FAA Refugee office determine the refugee participant's NA and CA program eligibility during their first 12 months in the United States. The 12 months start from the date of the refugee's entry into the U.S. and end on the first day of the 13th month after entry. The arrival month is included in the 12-month count.

Most refugee applications are referred from a Refugee Resettlement Program (RRP) voluntary agency (VOLAG). See [RRP Referrals](#) for additional information. In the event an application of a refugee is submitted through HEAplus or to an FAA office other than a Refugee office, transfer the application to the appropriate FAA Refugee office within one [workday\(g\)](#) and complete **one** of the following:

- Notify the FAA Refugee Unit via an email at FAARefugeUnit@azdes.gov
- Upload the paper application to OnBase
- Fax the paper application to (623) 931-5676

NOTE When faxing documents containing confidential information use the Fax Cover Sheet (DES-1078A) form.

The appropriate FAA Refugee offices include **any** of the following:

- Site Code 285 for applications received in Pima County
- Site Code 169 for applications received in all other counties

After the first 12 months are completed, refugees are processed at any FAA location.

Verification

System interface and the [case file\(g\)](#) must be reviewed before verification is requested. No additional verification is needed when AZTECS interface or HEAplus hubs have verified the participant's noncitizen status.

System interface that FAA has with the United States Citizenship and Immigration Services (USCIS) and collateral contact to other agencies are primarily used to verify noncitizen status from the information provided on the application. However, system interface and collateral contact are not always available. The participant has the primary responsibility for providing verification. (See [Participant Responsibilities – Providing Verification](#) for additional policy.)

Noncitizen status is verified only with new applications or when FAA is notified that the status of a participant has changed.

See **any** of the following policy sections for examples of what can be used for proof of noncitizen status:

AZTECS Keying Procedures

Keying Eligibility

Eligibility for specific programs is determined by keying in AZTECS the appropriate codes in the PT field on SEPA and the CI field on IDCI.

Key **one** of the following Class of Admissions (COA) Codes on IDCI for an American Indian born outside of the United States:

- S13 for Canadian born American Indians
- TOH for members of the federally recognized Tohono O’odham Tribe born on the Tohono O’odham reservation in Mexico
- FR for all other American Indian tribal members enrolled in a [federally recognized tribe](#) (PDF 74 KB)

When the noncitizen is eligible for NA and CA, key **all** of the following:

- IN in the PT field on SEPA for NA and CA.
- EA in the CI field on IDCI.
- Key NOCS, when applicable. (See [Updating NOCS](#) for guidance.)

When the noncitizen is eligible for NA but not eligible for CA, key **all** of the following:

- IN in the PT field on SEPA for NA.
- DI in the PT field on SEPA for CA.
- EF in the CI field on IDCI.
- Key NOCS, when applicable. (See [Updating NOCS](#) for guidance.)
- For CA, when there are no other eligible participants in the case, key US in the DENIAL/CLOSURE REASON field on AFPD

When the noncitizen is not eligible for NA or CA, see [Nonqualified Noncitizen AZTECS Keying Procedures](#).

Updating NOCS

PST Specialists: Any changes made to 'Updating NOCS' must also be made in the NOCS section of [LPR Sponsors](#), [LPR Additional Requirements](#), and [Nonqualified Noncitizens](#).

NOCS is accessed when any code other than US is keyed in the CI field on IDCI.

NOCS displays or allows keying **any** of the following information for each noncitizen:

- Type of United States Citizenship and Immigration Services (USCIS) document provided by the participant, when appropriate
- United States Citizenship and Immigration Services (USCIS) Class of Admission (COA) Code held by the participant
- Noncitizen status of the participant
- Date the status was granted by USCIS
- Date the status expires
- Date the Systematic Alien Verification for Entitlements (SAVE) was completed
- Secondary SAVE was requested
- Participant is sponsored
- Participant is under 18 years of age
- Participant has a permanent disability
- Participant has 40 quarters of earnings
- Participant has a military connection

NOTE When NOCS must be updated and current SAVE information is not in the [case file\(q\)](#), complete a SAVE verification before approval for all noncitizens who have valid USCIS documentation and are included in the budgetary unit.

When the noncitizen's USCIS status changes, key the new information on NOCS. AZTECS allows for more current USCIS status information to be keyed while permanently maintaining the previous information.

All qualified Ukrainian refugees regardless of the notations in their documents are keyed with the UHP COA code in the CIS-COA field on the NOCS screen in AZTECS.

For a comprehensive list of COA Codes, see CLASS OF ADMISSION CODES under DISPLAY TABLE VALUES in AZTECS.

NOTE When the noncitizen becomes a U.S. citizen key the US Citizenship Code in the CI field on IDCI.
