

## C Credit Union Accounts

A checking or savings account in a credit union is countable as a resource.

Key credit union accounts on **FIAC** using the CU Financial Account Code.

### EXCEPTION

An account in a credit union that is used only for a self-employment business is not countable as a resource. (See [Self-Employment Income](#))

Key credit union accounts for a self-employment business on FIAC using the BC Financial Account Code.

For checking accounts in a bank, see [Checking Accounts](#).

For savings accounts in a bank or a savings and loan association, see [Savings Accounts](#).

For accounts with combined NA [educational income](#), see [Combined Resources](#).

For jointly owned credit union accounts, see [Joint Accounts](#).
