

A Sale or Transfer of Resources - CA and NA - Disqualification

Participants who have knowingly transferred or sold any resource within specific time frames, with the intent to qualify for benefits are ineligible.

Apply a disqualification when resources are transferred knowingly within the following time frames:

For CA, within one year before the date of application or while receiving benefits.

For NA, within the three months before the date of application or while receiving benefits.

NOTE For MA, see [MD Resource Reduction](#).
