REVISION 49
(01/01/20 - 12/31/20)

Urgent Bulletin emailed 09/17/2020 informed staff that FAA Systems will remove the FPUC LWA incomes effective for the month of 10/2020 and ongoing from all open/active NA and CA cases.

Per Urgent Bulletin emailed 01/05/2021, Federal Pandemic Unemployment Compensation (FPUC), Pandemic Unemployment Assistance (PUA), and Pandemic Emergency Unemployment Compensation (PEUC) have been extended until further notice.

Unemployment Insurance (UI) is an insurance benefit that may be paid to people when they have lost their jobs and meet other eligibility criteria. State governments pay unemployment insurance from a fund of unemployment taxes or payroll taxes collected from employers.

During the Covid-19 pandemic, the following additional unemployment benefits are available:

- Pandemic Unemployment Assistance (PUA)
- Federal Pandemic Unemployment Compensation (FPUC)
- [Pandemic Emergency Unemployment Compensation \(PEUC\)](#)
- [Extended Benefit \(EB\)](#)

A participant can only receive FPUC benefits when they are also receiving another type of unemployment compensation income.

Qualified Railroad employees may receive UI benefits. These benefits are available under the Railroad Unemployment Insurance Act (RUIA) which is administered by the Railroad Retirement Board (RRB).

For NA, all unemployment compensation payments, except FPUC payments, are countable as unearned income.

NOTE This includes participants receiving UI income under the age of 18.

For CA, all unemployment compensation payments are not countable as unearned income effective 04/13/2020.

NOTE This includes participants receiving UI income under the age of 18.

For Refugee Cash Assistance (RCA), all unemployment compensation payments are countable as unearned income effective 04/13/2020.

NOTE Key each UI type individually on UNIN and document clearly.

Consider the UI benefits available to the participant on the second [workday\(g\)](#) following the date benefits are issued. Use **HOSC** to identify the date benefits are issued.

When the participant states they have recently moved to Arizona investigate the possibility of out of state UI benefits.

When possible receipt of UI benefits from California is indicated, request verification from the State of California Employment Development Department (EDD). Mail an Authority To Release Information (FAA-1765A) form signed by the participant, along with a stamped, self-addressed return envelope to the [California EDD Address](#).

When a low balance shows for the participant's UI benefits, only budget the actual amount of benefits that are remaining. When the

benefits run out after the [current system month](#) (CSM) and prior to the end of the current approval period complete the following:

- Set a free form ACTS alert for the month prior to the month benefits are ending.
- Indicate that UI benefits are ending.
