

B NA Special Consideration of Income

Disqualified participants are not included when determining the budgetary unit size or when assigning a benefit level. The income of the disqualified participant is counted in full or prorated to the remaining participants in the budgetary unit, depending on the disqualification reason.

A participant who meets one of the following criteria is considered disqualified and has their income counted in full:

- [NA E&T disqualification](#) - noncompliance (key DE in the PT field on SEPA).
- [Intentional Program Violation](#) (key DF in the PT field on SEPA).
- [NA Fleeing Felon](#) (key DF in the PT field on SEPA).
- [Felony drug conviction](#) (key DF in the PT field on SEPA).
- A conviction for any of the following (key DF in the PT field on SEPA):
 - Trading NA for controlled substances.
 - Trading controlled substances for NA.
 - Trafficking NA benefits.
 - Making fraudulent statements concerning identity or residence in order to receive multiple NA benefits.
- [Voluntary job quit](#) - reduction in work effort (key DE in the PT field on SEPA).

A participant who meets one of the following criteria is considered disqualified and has their income prorated to the budgetary unit participants:

- Noncompliance with the [SSN enumeration requirements](#) (key DI in the PT field on SEPA).

- Not meeting [able-bodied work requirements](#) after receiving three months of benefits in a 36-month period (key DI in the PT field on SEPA).
- [Nonqualified noncitizen](#) (key DI in the PT field on SEPA).
