

## **E NA Utility Allowance - Overview**

Use the utility expenses billed separate from rent or mortgage payments on a regular basis, to determine the allowable utility allowance for the NA budgetary unit.

A [utility allowance amount](#) is used to allow a standard amount in place of the ACTUAL expenses.

AZTECS uses the utility allowance amount to calculate the shelter deduction.

Policy and procedures regarding utility allowances are outlined as follows:

- [NA Utility Expenses](#)
- [Qualifying for a Utility Allowance](#)
- [Utility Expense Types](#)
- [Utility Allowance Verification](#)
