

F Telephone Expense

Telephone expenses billed separate from rent or mortgage are ALLOWABLE for NA ONLY. (See [Utility Expenses](#))

Key the total amount of the bill for current service.

Allow a telephone expense when either of the following apply:

- The participant is responsible for a telephone expense (even when is billed to another person).
- The participant states a cellular phone is used for the budgetary unit's basic usage and they claim no other phone.

Key the expense on EXPC using the TL Expense Code.
