

### **.03 NA E&T Registration Exemption-E&T Child Care Guarantee**

**DES** must provide child care to mandatory participants with an incapacitated child under 18. When **E&T** compliance requires child care assistance, E&T staff determine the availability of child care.

When E&T cannot guarantee child care, E&T informs the **FAA** local office by an ACTS alert. Only one participant in the budgetary unit is allowed the exemption. The budgetary unit may decide who to exempt.

Key CU code in the PAR/EXEM field.
