

**01 UNAU – Purpose**

UNAU is used to set up and authorize the following:

- [Supplemental Benefits](#)
- [Restored NA Benefits](#)

Underpayments calculated in AZTECS may be confirmed, changed or deleted on UNAU.

When underpayments are determined manually, key the required underpayment information for each month on UNAU.

**WARNING**

Authorizing underpayments on UNAU is limited to staff at the Local Office Manager (LOM) and Unit Supervisor levels.
