

.02 Adding a Deemed Newborn to a Pending Renewal Application

Add Deemed Newborns, not [currently receiving benefits](#), to a pending renewal application effective the first day of the month following the month the change is reported.

MA EXCEPTION

Participants eligible in the Deemed Newborn category are eligible for MA from their date of birth.

A pregnant woman who is listed on the application may have her child while the application is pending. When this occurs, see [Adding a Participant - Child is Born](#) and [Deemed Newborn](#) policy.
