

A Adding a Deemed Newborn to MA

[REVISION 01](#)
(07/01/07 - 09/30/07)

[For MA after 2013](#)
[See the EPM](#)

Policy and procedures for adding a child to MA who meets [deemed newborn eligibility](#) are outlined as follows:

- [Adding a Deemed Newborn to MA – Pending Application](#)
- [Adding a Deemed Newborn to MA – Active Case](#)

.01 Adding a Deemed Newborn to MA - Pending Application

[REVISION 01](#)
(07/01/07 - 09/30/07)

[For MA after 2013](#)
[See the EPM](#)

Add a deemed newborn to a pending new or renewal MA application effective the date of birth when BOTH of the following apply:

- Meets [deemed newborn eligibility](#)
- Is not [currently receiving MA](#)

When a pregnant woman who is listed on the application gives birth while the application is still pending, see [Adding a Participant - Baby is Born](#).

When either of the following apply to a deemed newborn, see [Adding a Participant to a Pending Application](#) for policy and procedures:

- Adding to a pending CA or NA case
- Does not meet deemed newborn eligibility

.02 Adding a Deemed Newborn to MA - Active Case

REVISION 01
(07/01/07 - 09/30/07)

For MA after 2013
See the EPM

Add a deemed newborn to an active MA case effective the date of birth when ALL of the following apply:

- Meets deemed newborn eligibility
- Is not currently receiving MA
- Is not added through the newborn automated process

When either of the following apply to a deemed newborn, see Adding a Participant to an Active Case for policy and procedures:

- Adding to an active CA or NA case.
- Does not meet deemed newborn eligibility.
