.01 Newborn Born to SSI or HP Mother - Others in the Case Have Open MA

When the SSI or HP mother is listed in another MA case in AZTECS, the Deemed Newborn is listed on the [CR600](#).

EXCEPTION

When the MA case is not in or after the month of the Deemed Newborn's date of birth, the Deemed Newborn is listed on the CR605 and is not added to the MA case. For example, the MA case is in the month of January and the Deemed Newborn is born in February.
