

**.07 Family Benefit Cap Period (FBCP) - Pascua Yaqui Tribal TANF**

**REVISION 01**

(07/01/07 - 09/30/07)

Pascua Yaqui Tribal TANF Program participants are not subject to the Family Benefit Cap (FBCP) policy.

When a state CA case is transferred to the PY Tribal TANF Program service delivery area (SDA), change the BC Participation Code on SEPA to IN. Document the [case file\(g\)](#) that the child was a benefit capped child and why the BC code was changed.

**WARNING**

**WERE** must be coded correctly, so **AZTECS** identifies the participants as Pascua Yaqui Tribal TANF Program eligible, and exempts them from the FBCP policy. Follow the procedures in [Pascua Yaqui TANF Special Keying Requirements](#) to ensure that the budgetary unit is correctly coded.
