

## C Special Keying Requirements - White Mountain Apache TANF

Follow normal keying procedures necessary to make a CA eligibility decision. Review and key the following screens to ensure that an eligibility decision is made correctly for the WMAT-TANF Program.

- **ADDR**  
Key FA in the RESERVATION field. This is the Reservation Code for the Fort Apache Indian Reservation.
- **RARE**  
Key Y in the AI RACE field and WM in the TRIBE field next to any participant who is enrolled in the White Mountain Apache Tribe.
- **WERE**  
Key W (White Mountain exempt) in the AF WERE EXPT RSN field next to each participant in the budgetary unit. This must be keyed so AZTECS identifies the budgetary unit as WMAT-TANF eligible.
