

.07 Sanctions – San Carlos Apache Tribe TANF

REVISION 10
(10/01/09 – 12/31/09)

When a participant fails to comply with any of the San Carlos Apache Tribe (SCAT) TANF Program PRA requirements specified in their policy, it may be necessary to sanction the TANF CA case.

A sanction is imposed when an adult participant does not comply with the following San Carlos Apache Tribe TANF Program requirements:

- All children between the ages of 6 through 18 must be enrolled and attending school.
- All children must be immunized.
- Compliance with the Jobs Program.

The SCAT TANF Program policy mirrors the state CA progressive sanction policy. (See [CA PRA Progressive Sanctions](#) and [CA Ongoing Sanction SAR Report](#))

When a SCAT TANF participant's case is closed due to a 100% sanction, the budgetary unit is not eligible for three months following the 100% sanction month.

When a SCAT TANF participant applies for SCAT TANF within three months following the 100% closure month, deny the SCAT TANF application using the SD Denial or Closure Reason Code. Send the A642 notice. (See [CA Initial Month Special Rules](#))

NOTE When a SCAT TANF CA case closes due to a 100% sanction and the participant reapplies in a non San Carlos service delivery area and meets all FAA CA eligibility criteria, approve the case. ALL prior sanctions keyed in AZTECS count.
