

.02 State Assistance Benefit Selection - Types of Changes - Changes in Income - Overview

Changes in the source as well as the amount of income must be reported.

The participant may report the start or stop of a source of income or a change in the amount of income or hours. FAA may also learn of a change in income through [IRS reports](#). Determine whether a change results in one of the following:

- [Decrease in Benefits](#)
- [Increase in Benefits](#)
- [No Benefit Change \(Standard\)](#)
- [Undetermined Effect](#)
