

06 **State Assistance Benefit Selection - Fair Hearings - Overview**

A fair hearing is a process through which the PI of a case may request a review of FAA's timeliness or results of the eligibility determination, by an impartial third party.

For policy and procedures regarding fair hearings, see [Fair Hearings](#).

WARNING

This includes fair hearings requests received disputing [GA Interim Assistance Reimbursements](#).

NOTE In this situation FAA is represented at the fair hearing by a representative from the Office of Accounts Receivable and Collections (OARC).
