The above list summarizes the information on this page. Each item listed above links to the corresponding section below.

The information on this page must be discussed during the weekly [policy dissemination](#) in every office which determines eligibility, reviews eligibility, or answers questions regarding eligibility. ([Current week's FAA-1215A](#))

Change: ABAWD Regaining Eligibility

EFFECTIVE DATE: The CNAP Manual has been updated as of 02/12/2024

Additional directions are needed when an Able Bodied Adult Without Dependents (ABAWD) exemption or work requirement is met.

When a participant's NA case is closed due to the ABAWD time limit and the participant notifies FAA that they meet an exemption or work requirement, the participant may regain eligibility. Determine whether NA benefits can be reopened and redetermine eligibility. When reopening an NA case, ensure the appropriate codes are keyed on REPT. (See [FAA2.M09C](#) titled ABAWD Continued Eligibility for the AZTECS Keying Procedures and new examples.)

When an ABAWD participant is disqualified and the remaining budgetary unit members continue to be eligible for NA benefits, reported ABAWD eligibility information is treated as a change. (See [FAA6.D02D](#) titled Effective Date for Adding a Participant for assistance with determining the effective date of the change.)

Policy reference(s) revised due to this change:

FAA2.M09C – [ABAWD Continued Eligibility](#) [Prior Policy 02/12/2024](#)

Added AZTECS Keying Procedures for when a participant subject to ABAWD requirements regains eligibility due to having reported an exemption or having met the work requirements. (The CNAP Manual has been updated as of 02/12/2024.)
