### Clarification: MAC Compliance After Closure

When the participant complies with a completed Mid Approval Contact (MAC) form within 30 calendar days after the effective date of closure, a new application is not required. There must be at least one month remaining in the approval period.

The MAC is considered complete and may be reopened, when **all** of the following are provided:

- Name of the participant
- Responses to all the questions
- Signature of the Primary Informant (PI) or their authorized representative

NOTE When the participant complies after the auto-close process but **before** the effective date of closure, the MACA REPT code is used to reopen the case. When the participant complies with a completed MAC within 30 calendar days **after** the effective date of closure, the NAWA REPT code is used to reopen the case.

For more information on MAC compliance, see [FAA6.A02A](#) titled NA Mid Approval Contact (MAC).
